

Accessing Public Services Toolkit Workshop

Cerebra will be holding a free workshop on using their Accessing Public Services Toolkit.

Date: 15th November 2021

Time: 12:00 – 14:30

Location: Virtual meeting

The aim of the workshop is to support families who are encountering difficulties in relation to the provision of health, social care and education support services. The workshop isn't about giving legal advice or solving individual issues, but about general strategies that parents can use to get the services that they need for their child and family. By the end of the workshop, you will be able to:

- Identify commonly occurring problems facing families accessing services and recognise different types of dispute
- Come up with problem-solving approaches to these problems
- Use a number of template letters when corresponding with public bodies

The workshop includes working on case studies relating to direct payments, respite care, Disabled Facilities Grants, residential placements and school transport.

If you are interested in attending this event, then please book via: admin@snappcf.org.uk

Cerebra is the charity dedicated to helping families with children with brain conditions discover a better life together.
